

love

is patient, love is kind.  
It does not envy, it does not boast,  
it is not proud.  
It does not dishonor others,  
it is not self-seeking,  
it is not easily angered,  
it keeps no record of wrongs.  
Love does not delight in evil  
but rejoices with the truth.  
It always protects, always trusts,  
always hopes, always preserves.  
Love never fails.
